Hiring Committee
State of Connecticut

Dear Hiring Committee,

I hope this message finds you well. I recently submitted my application for the Information Technology Analyst Trainee position with the State of Connecticut, and I wanted to follow up to express my continued interest and inquire about the status of my application.

With hands-on experience as a Freelance Computer Technician and my current role as IT Analyst / Delivery Coordinator at Middletown Toyota, I have honed my skills in troubleshooting, system implementation, and end-user support. I am confident that my strong foundation in IT operations and customer service makes me a great fit for this trainee role.

I remain enthusiastic about the opportunity to contribute my skills to your team and to develop further as part of the State's IT division. Please let me know if there is any additional information I can provide or if you have any updates regarding the hiring timeline.

Thank you for your time and consideration. I look forward to the possibility of contributing to your organization and hope to hear from you soon.

Sincerely,

Anthony Franco
